

Facilitating Independence. *Continuum, a division of Community Rehab, is fully accredited with the CCHSA. We are committed to providing in-home and workplace rehabilitation and community transition services within the auto insurance sector and employer-based workplaces.*

Occupational Therapists

We are currently seeking Occupational Therapists to provide assessment and rehabilitation services within the auto insurance sector and employer based workplace services in South Western Ontario.

As the successful candidate, you are a graduate of an accredited program in Occupational Therapy and are a member in good standing of the College of Occupational Therapists of Ontario. You are a highly skilled therapist with a minimum of three (3) years related experience working with complex musculoskeletal and/or ABI clients. You possess related experience in providing in-home and workplace assessments and rehabilitation services. You demonstrate excellent interpersonal, organizational and communication skills, both written and verbal, along with a high level of initiative and adaptability to rapidly changing demands. Ideally, you possess previous work-related experience in the rehabilitation services sector. Travel within South Western Ontario is required.

We offer all applicants the opportunity to challenge their abilities in a dynamic work environment. Your efforts will be recognized through competitive compensation and benefits, administrative support and clinical leadership as well as an education program to foster life-long learning and best practices. Interested candidates should forward, in confidence, a resume and covering letter, quoting Competition #020-07 in the subject line, to:

**Human Resources
Community Rehab**

Physiotherapist

We are currently seeking a part-time Physiotherapist to provide assessment and rehabilitation services within the auto insurance sector and employer based workplace services.

As the successful candidate, you possess a degree in Physiotherapy and are a member in good standing of the College of Physiotherapists of Ontario. You demonstrate excellent interpersonal, organizational and communication skills, both written and verbal, along with a high level of initiative and adaptability to rapidly changing demands. Ideally, you possess a minimum of three (3) years previous work-related experience in rehabilitation services in the auto industry, WSIB and private sector. You excel in working well independently and as part of a team. Candidates must possess a valid drivers' license and have access to a vehicle as travel within South Western Ontario is required.

We offer all applicants the opportunity to challenge their abilities in a dynamic work environment. Your efforts will be recognized through competitive compensation and benefits, administrative support and clinical leadership as well as an education program to foster life-long learning and best practices. Interested candidates should forward, in confidence, a resume and covering letter, quoting Competition #032-06 in the subject line, to:
